

JOB OPPORTUNITY

ORGANIZATION:

College of Social Sciences and Humanities – Escuela Superior Politécnica del Litoral

JOB TITLE:

Ocasional Professor in Macroeconomics

LOCATION: Guayaquil, Ecuador

DESCRIPTION:

The College of Social Sciences and Humanities at the Escuela Superior Politécnica del Litoral invites applications to teach courses on Macroeconomics. The candidate will also be expected to pursue an active research agenda that results in peer-reviewed publications, engages students, and contributes to advancing the department, university, the profession, and society. The candidate will also be expected to participate in service activities and embrace the principles of diversity and inclusion as a member of the university community

◀ QUALIFICATIONS:

The candidate must achieve the next requirements:

- Ph.D. in Economics is required.
- Expertise in Macroeconomics applications.
- The candidate must speak and write in Spanish.
- A publication of high quality peer-reviewed research in the field of macroeconomics.

◀ RESPONSIBILITIES:

The successful candidate will develop internationally-recognized economics research programs in the area of Macroeconomics, with a preferred secondary field in either Development Economics or International Economics. The successful candidate will cooperate with internal and external research colleagues to identify research priorities, conduct collaborative projects, and disseminate results by publishing in appropriate peer-reviewed scientific journals. Teaching responsibilities include economics courses per year in the successful applicant's area of expertise.
